### **INCLUDED SERVICES and AMENITIES**

- ❖ Three balanced, nutritious meals and snacks daily with efforts made to accommodate special dietary preferences and needs served in a spacious combined kitchen/dining area.
- ❖ Access to pleasant and spacious common household areas and sun room, providing stunning views and natural light through large windows and skylights; outdoor gardens, seating and walkways planned.
- ❖ Comfortable, bright, private, secure, ADA-compliant residences (unfurnished living area, bedroom, and bathroom,) with:
  - all utilities included *except* cost of private phone, cable, and Internet (local phone, TV, public computer)
  - housekeeping assistance provided regularly as needed;
  - towels, linens and clothing laundered weekly or more often as needed.
- ❖ Provision or arrangement for local transportation during business hours; off-street parking for up to one vehicle, if necessary.
- ❖ Assistance with instrumental activities of daily living (IADLs), as needed: doing laundry, using public transportation, writing letters, obtaining appointments, shopping, using the phone, and engaging in recreational or leisure activities.
- ❖ 24-hour assistance with activities of daily living (ADL's); The RN is responsible to determine the service package based on assessed needs:
  - Shower Assist: Up to two times per week (and as needed)
  - Dressing Assist
  - Grooming/Hygiene Assist
  - Medication assistance or administration
  - Toileting Assist
  - Positioning Assist
  - Mobility Assist
  - Transfer Assist
  - Eating Assist

- ❖ Registered nursing services:
  - providing training and oversight of staff for resident care;
  - medication assistance and management;
  - health promotion and monitoring, such as blood pressure, pulse, weight checks;
  - coordination, arrangement and ongoing evaluation of services provided;
  - coordination of referral for medical and dental care, as well as preventative care to minimize the need to leave the assisted living residence for care;
  - supervision and oversight for residents with cognitive disabilities;
  - coordination with hospice and other care providers.
  
- ❖ Emergency response systems, both resident-activated and building-activated.
  
- ❖ A variety of social, cultural, educational and recreational activities that include opportunities for socialization and wellness – including exercise – offered both within and outside the assisted living residence.
  
- ❖ We encourage and promote independence.
  
- ❖ Opportunities for spiritual growth will be maintained.
  
- ❖ Extended care: If you, your family and your doctor all agree that you would like to age in place and you do not require extensive nursing or medical interventions, and your Medical Provider and Administration approve, you are able to stay in Haines, at Haines Assisted Living.
  
- ❖ Small pets upon approval
  
- ❖ We accept Medicaid Choice Waiver, upon State and Administrative approval.
